Mandarin Oriental Selects POST Integrations to Provide Card Processing Services

POST Integrations, Inc., today announced that Mandarin Oriental Hotel Group has selected POST Integrations to provide credit card processing services for its Mandarin Oriental, Boston location. POST Integrations currently serves the prestigious Mandarin Oriental, New York location overlooking New York's Central Park.

About Mandarin Oriental, The Hotel Group

Mandarin Oriental is defined as a family of individual hotels and resorts, each with its own distinct personality yet inherently linked to their exotic oriental roots. The luxury brand strives to delight its guests by providing service that is gracious and sincere and steeped in the values of the orient. The company name evolved from the bringing together of the Group's original flagship hotels: The Mandarin in Hong Kong and The Oriental in Bangkok.

The company is rapidly expanding with new locations scheduled for opening around the world including US locations in Las Vegas, Chicago, Atlanta and Dallas.

About POST Integrations, Inc. (www.postint.com)

POST Integrations provides credit card and electronic payment processing solutions exclusively to the hospitality industry. POST Integrations is the hospitality industry's premier provider with its unique, three-tiered credit card processing solution expressly designed for the complex needs of the hospitality environment.
